

HOW WILL ALL THE "IMPROVEMENTS" PLANNED
WILL BE TIED TOGETHER WITH EXISTING ROADS
NOT INCLUDED IN PROJECT. WITH THE
"IMPROVEMENTS" WILL COME MORE ISSUES
↓ TRAFFIC THAN PRESENT. (PAST WB DRIVE)
ALL THIS INCREASE IN TRAFFIC DOESN'T
MAGICALLY STOP @ WB DRIVE. WHILE I
KNOW NO PLANS EXIST I AM SURE A
"BIG PICTURE" OF THE PROJECT DOES

1. What will speed limits be
2. Will there be walking or Bikes paths/access
3. Will this upgrade affect the real estate value of local landowner?
4. Will there be any street lights installed
5. Will the road be passable during the construction

1. Do you know how much more traffic
there will be once the road is opened?
2.
